Re: Request for Acknowledgement of Donations from SOAAR Foundation

I am writing to request acknowledgement of several donations by the SOAAR (Supporting Orcutt Academy's Academic Resources) Foundation, which has had a very productive year. At the start of the year, the SOAAR Board of Directors established a goal of "17 for '17" – raising \$17,000 in 2017-2018 in support of OA programs. Happily, SOAAR has exceeded that goal. This school year it has raised a total of \$22,278 through the following: \$3,430 from its Back to School Appeal to OA families, \$3,848 from its participation in the local Support Our Schools (SOS) Car Raffle, and \$15,000 from a Fulton Family Foundation grant. To this point in the school year, SOAAR has been able to make the following contributions to the Orcutt Academy:

- \$1,200 for a class set of Ozobots for the OAK-8 campus. The Ozobots have been used frequently by OAK-8 students.
- \$4,514 for the purchase of risers for the Orcutt Academy HS Choir. The school had been borrowing risers from a local church and sought to have its own set.
- \$800 for the print publication of a spring issue of the OAHS Spartan Oracle student newsletter.
- \$226 for a field trip to the Ronald Reagan Presidential Library & Museum taken by the AP Government class at OAHS.
- \$13,000 for the OAHS Band Program for the purchase of new band uniforms, new percussion equipment, and new sheet music. This funding comes from the Fulton Family Foundation Grant, which specifically benefited the OAHS Band Program. An additional \$2,000 in grant funding will be disbursed in 2018-2019.
- No contribution has been made yet, but SOAAR is committed to fund projection and sound equipment for the Multi-Use Room at OA Independent Study. This equipment will enable presentations to be made in that facility.

Needless to say, it is very gratifying to see this foundation receiving this level of support from school stakeholders and making this kind of a difference with our school. Many thanks to those who serve on the SOAAR Board of Directors: Fidel Villanueva (president), Mark Steller (vice-president), Britta Crowley (treasurer), Dana Alford, Rich Antles, Janet Bertoldi, Susan Degner, Monika Keeley, Sherry Keinert, Stacey Lovell, Vatche Maestas, Jewelee Matautia, Hannah Rubalcava, David Sparks, Melanie Waffle, and Paulette Whinnery.

Re: Request for Approval for MOU with the Santa Maria Valley Physical Therapy Group for Athletic Training Services for OAHS

Background

After four years with San Luis Sports Therapy, Orcutt Academy High School contracted with the Santa Maria Valley Physical Therapy Group for athletic training services for the current 2017-2018 school year. SMV Physical Therapy hired Chelsea Davis as athletic trainer for OAHS, and she has served the school all year.

We are pleased to report that Ms. Davis has done excellent work. In her role as athletic trainer, she has been available on campus each afternoon in the OAHS Weight Room, where she has office space and a training room. She has attended games/competitions and some team practices, treated injuries, implemented treatment and rehabilitation plans established by physicians, and worked with athletes and coaches on measures preventing injuries. She has developed a warm rapport with students, parents, coaches, and staff. Both of us have received very positive feedback from students, parents, and coaches on Ms. Davis' performance. (Please note that in April Ms. Davis made a brief presentation at a charter board meeting during which she outlined her activities and accomplishments this year.)

Meantime, we also have been pleased with the support Ms. Davis and our school have received from SMV Physical Therapy. The group provides athletic trainers for three other high schools in our community (Pioneer Valley, Righetti, and Santa Maria), and thus it has been able to facilitate dialogue and collaboration among the four. The group has a close association with the Central Coast Orthopedic Medical Group, a consortium of physicians that has a Santa Maria office and is very involved in local prep athletics. And Jared Bailey and Todd Martin, the physical therapists responsible for the day-to-day management of the group, have worked to mentor, and frequently check in with, Ms. Davis.

For the coming school year, SMV Physical Therapy proposes to charge \$49,476 for athletic training services, the same amount that it charged for 2017-2018. Like last year, the firm arrived at this amount due to the U.S. Department of Labor's standards for employees (such as athletic trainers) who are exempt from overtime wage provisions. The minimum salary for employees to be considered "exempt" is \$47,476 per year. To this amount, the Santa Maria Valley Physical

Therapy Group is adding \$2,000 for administrative costs, for a total of \$49,476. This amount also aligns with what the group is charging other local high schools for athletic training services.

Recommendation

Staff recommends that the Board of Trustees approve the attached Memorandum of Understanding (MOU) between Orcutt Academy High School and San Luis Sports Therapy for athletic training services for the 2018-2019 school year.

Fiscal Impact

For athletic training services for 2018-2019, the Orcutt Academy general charter budget will pay the Santa Maria Valley Physical Therapy Group \$49,476 plus hourly compensation for any games/competitions on weekends or holidays. The OAHS Athletic Boosters will continue to fund supplies for the trainer.

Memorandum of Understanding

This Memorandum of Understanding (MOU) between Orcutt Academy High School/OAHS and OUSD (610 Pinal Avenue, Orcutt, CA) and Santa Maria Valley Physical Therapy Group, Inc. /SMVPT (820 East Enos Drive, Santa Maria, CA) shall outline the services to be provided by SMVPT for the 2018-2019 school year.
