AGREEMENT FOR PROFESSIONAL SERVICES

This Agreement is made and entered into on June 4, 2019, by and between the Orcutt Union School District, hereinafter referred to as District, and Dannis Woliver Kelley, a professional corporation, hereinafter referred to as Attorney.

In consideration of the promises and the mutual agreements hereinafter contained, District and Attorney agree as follows:

SCOPE OF SERVICES. District appoints Attorney to represent, advise, and counsel it from July 1, 2019, through and including June 30, 2020, and continuing thereafter as approved. Any services performed during the period between the above commencement date and the date of Board action approving this Agreement are hereby ratified by said Board approval. Attorney agrees to prepare periodic reviews of relevant court decisions, legislation, and other legal issues. Attorney agrees to keep current and in force at all times a policy covering incidents of legal malpractice.

CLIENT DUTIES. District shall be truthful with Attorney, cooperate with Attorney, keep Attorney informed of developments, perform the obligations it has agreed to perform under this Agreement and pay Attorney bills in a timely manner.

FEES AND BILLING PRACTICES. Except as hereinafter provided, District agrees to pay Attorney two hundred sixty-five dollars (\$265) to three hundred sixty dollars (\$360) per hour for Shareholders and Of Counsel; two hundred forty-five dollars (\$245) to two hundred ninety-five dollars (\$295) for Special Counsel; one hundred ninety-five dollars (\$195) to two hundred sixty dollars (\$260) per hour for Associates; and one hundred thirty dollars (\$130) to one hundred eighty dollars (\$180) per hour for Paralegals and Law Clerks. The rate for Gregory J. Dannis will be three hundred eighty dollars (\$380) per hour. Rates for individual attorneys may vary within the above ranges depending on the level of experience and qualifications and the nature of the legal services provided. Agreements for legal fees at other than the hourly rate set forth above may be made by mutual agreement for special projects, particular scopes of work, or for attorneys with specialized skills. The rates specified in this agreement are subject to change at any time by Attorney by written notice to Client and shall apply to all services rendered after such notice is given. Substantive communications advice (telephone, voice-mail, e-mail) is billed in a minimum increment of one-tenth (.1) of an hour, except for the first such advice in any business day, which is charged in a minimum of three-tenths (.3) of an hour. Actual travel time is charged at the rates above. In the course of travel it may be necessary for Attorney to work for and bill other clients while in transit. If, during the course of representation of District, an insurance or other entity assumes responsibility for payment of all or partial fees of Attorney on a particular case or matter, District shall remain responsible for the difference between fees paid by the other entity and Attorney's hourly rates as specified in this Agreement unless otherwise agreed by the parties.

OTHER CHARGES. District further agrees to reimburse Attorney for actual and necessary expenses and costs with respect to providing the above services, including support services such as copying charges (charged at \$0.10 per page), express postage (only charged if in excess of \$1.00), and computerized legal research (i.e. Westlaw). Any discount received on computerized legal research is passed along to Client by Attorney. District agrees that such actual and necessary expenses may vary according to special circumstances necessitated by request of District or emergency conditions which occasionally arise. Such expenses shall be provided at cost unless otherwise specified.

District further agrees to pay third parties, directly or indirectly through Attorney, for major costs and expenses including, but not limited to, costs of serving pleadings, filing fees

and other charges assessed by courts and other public agencies, arbitrators' fees, court reporters' fees, jury fees, witness fees, investigation expenses, consultants' fees, and expert witness fees. Upon mutual consent of District and Attorney, District may either advance or reimburse Attorney for such costs and expenses.

Occasionally Attorney may provide District officials and/or employees with food or meals at Attorney-sponsored trainings or when working with District officials and/or employees. Attorney may provide such food or meals without additional charge in exchange for the consideration provided by the District under this Agreement.

BILLING STATEMENT. Attorney shall send District a statement for fees and costs incurred every calendar month. Attorney's statements shall clearly state the basis thereof, including the amount, rate and basis for calculations or other methods of determination of Attorney's fees. Upon District office's request for additional statement information, Attorney shall provide a bill to District no later than ten (10) days following the request. District is entitled to make subsequent requests for bills at intervals of no less than thirty (30) days following the initial request. District shall pay Attorney's statements within thirty (30) days after each statement's date.

INDEPENDENT CONTRACTOR. It is expressly understood and agreed to by both parties that Attorney, while carrying out and complying with any of the terms and conditions of this Agreement, is an independent contractor and is not an employee of the District.

CONFLICT OF INTEREST. Because Attorney represents many school and community college districts, county offices of education, joint powers authorities, SELPAs and other entities, conflicts of interest may arise in the course of Attorney's representation. If Attorney becomes aware of any conflicts of interest, Attorney will comply with the legal and ethical requirements to fulfill its duties of loyalty and confidentiality to District. If District has any question about whether Attorney has a conflict of interest in its representation of District in any matter, it may contact Attorney or other legal counsel for clarification.

TERMINATION OF CONTRACT. District or Attorney may terminate this Agreement by giving reasonable written notice of termination to the other party.

IN WITNESS WHEREOF, the parties hereto have signed this Agreement for Professional Services.

BOARD MEETING DATE: August 14, 2019

BOARD AGENDA ITEM: BP 0420 School Plans/Site Councils

BACKGROUND: Policy updated to reflect NEW LAW (AB 716) which renames the single plan for student achievement as the school plan for student achievement (SPSA), authorizes the use of uniform complaint procedures for complaints alleging noncompliance with requirements related to the establishment of school site councils or the development of the SPSA, and authorizes the use of the SPSA to satisfy the requirement for a school improvement plan when a school is identified for targeted or comprehensive support. Regulation updated to reflect AB 716 which eliminates the authority to use a school advisory committee other than a school site council to develop the SPSA, allows certain small schools to share a school site council, requires a needs assessment to identify school goals, and, if applicable, requires consultation with the school's English learner advisory committee on review of the SPSA.

RECOMMENDATION: It is recommended that the Board of Trustees accept the revisions to BP 0420.

FUNDING: No funding implications

BOARD AGENDA ITEM: BP 0420.4 Charter School Authorization

BACKGROUND: Policy updated to delete the legal citation for the Parent Empowerment Act, as the criteria for that program to include the Academic Performance Index which is no longer calculated, and to delete the outdated legal citation for California Department of Education (CDE) standards for the identification of academically low-achieving students. Policy also reflects NEW LAW (SB 126, 2019) which requires charter schools to comply with the Brown Act, California Public Records Act, and other specified state laws governing transparency and public integrity, and NEW LAW (AB 406, 2018) which, for any charter petition submitted on or after July 1, 2019, prohibits the charter school from operating as or by a for-profit corporation or organization. Regulation updated to reflect NEW LAW (AB 1747, 2018) which requires that the charter petition include provisions for the development and annual update of a school safety plan.

RECOMMENDATION: It is recommended that the Board of Trustees accept the revisions to BP 0420.4.

FUNDING: No funding implications

CHARTER SCHOOLS AUTHORIZATION

The **Governing Board** ~~Board of Trustees~~ recognizes that charter schools may assist the district in offering diverse learning opportunities for district students. In considering any petition to establish a charter school within the district, the Board shall give careful consideration to the potential of the charter school to provide students with a high-quality education that enables them to achieve to their fullest potential.

The district shall not require any district student to attend the charter school nor shall it require any district employee to work at the charter school. (Education Code 47605)

One or more persons may submit a petition for a start-up charter school to be established within the district. ~~In addition, an~~ **or for the conversation of an** existing district school ~~may be converted to a charter school. (Education Code 47605) when deemed beneficial by the district and community or when state or federal law requires restructuring of the school because of low performance.~~

~~(cf. 0520.2 – Title I Program Improvement Schools)~~

Any petition for a start-up charter school or conversion charter school shall include all components and signatures required by law and shall be submitted to the Board. **The Superintendent or designee shall consult with legal counsel, as appropriate, regarding compliance of the charter petition with legal requirements.**

The Superintendent or designee may work with charter school petitioners prior to the formal submission of the petition in order to ensure compliance of the petition with legal requirements. As needed, **the Superintendent or designee** ~~he/she~~ **may also meet work** with the petitioners to establish workable plans for technical assistance or contracted services which the district may provide to the proposed charter school.

Within 30 days of receiving a petition to establish a charter school, the Board shall hold a public hearing to determine the level of support for the petition by teachers, other employees of the district, and parents/guardians. (Education Code 47605)

~~(cf. 9320 - Meetings and Notices)~~

Within 60 days of receiving a petition, or within 90 days with mutual consent of the petitioners and the Board, the Board shall either approve or deny the request to establish the charter school. (Education Code 47605)

The approval or denial of a charter petition shall not be controlled by collective bargaining agreements nor subject to review or regulation by the Public Employment Relations Board. (Education Code 47611.5)

Approval of Petition

The Board shall approve the charter petition if doing so is consistent with sound educational practice. In granting charters, the Board shall give preference to **petitions that demonstrate the capability** ~~schools best able to provide comprehensive learning experiences for~~ **students who are identified by the petitioner as** academically low-achieving. ~~students according to standards established by the California Department of Education (CDE) under Education Code 54032.~~ (Education Code 47605)

The Board shall **verify** ~~ensure~~ that any approved charter contains adequate processes and measures for holding the school accountable for **complying with applicable law, including Education Code 47604.1, and for** fulfilling the terms of its charter. These shall include, but not be limited to, fiscal accountability systems, multiple measures for evaluating the educational program, **including student outcomes aligned with state priorities as described in Education Code 52060** and regular reports to the Board.

(cf. 0420.41 - Charter School Oversight)

The Board may approve one or more memoranda of understanding to clarify the financial and operational agreements between the district and the charter school. Any such memorandum of understanding shall be annually reviewed by the Board and charter school governing body and amended as necessary.

The Board may initially grant a charter for a specified term not to exceed five years. (Education Code 47607)

(cf. 0420.42 - Charter School Renewal)
(cf. 0420.43 - Charter School Revocation)

~~The district shall not require any student to attend a charter school and shall not require any district employee to work at a charter school. (Education Code 47605)~~

It shall be the responsibility of the petitioners to provide written notice of the Board's approval and a copy of the charter to the County Superintendent of Schools, the CDE, and the State Board of Education (SBE). (Education Code 47605)

Denial of Petition

The Board shall deny any **charter** petition **that:** ~~to authorize the conversion of a private school to a charter school or that proposes to serve students in a grade level that is not served by the district, unless the petition proposes to serve students in all the grade levels served by the district. (Education Code 47602, 47605; 5 CCR 11965)~~

1. **Proposes to operate a charter school as or by a for-profit corporation, a for-profit educational management organization, or a for-profit charter management organization (Education Code 47604)**

2. Authorizes the conversion of a private school to a charter school (Education Code 47602)
3. Proposes to serve students in a grade level that is not served by the district, unless the petition proposes to serve students in all the grade levels served by the district (Education Code 47605)

Any other charter petition shall be denied only if the Board presents written factual findings specific to the petition that one or more of the following conditions exist: (Education Code 47605)

1. The charter school presents an unsound educational program for the students to be enrolled in the charter school.
2. The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.
3. The petition does not contain the number of signatures required.
4. The petition does not contain an affirmation of each of the conditions described in Education Code 47605(d).
5. The petition does not contain reasonably comprehensive descriptions of the charter provisions in Education Code 47605(b).
6. The petition does not contain a declaration as to whether or not the charter school shall be deemed the exclusive public school employer of the school's employees for purposes of collective bargaining pursuant to Government Code 3540-3549.3.

The Board shall not deny a petition based on the actual or potential costs of serving students with disabilities, nor shall it deny a petition solely because the charter school might enroll disabled students with disabilities who reside outside the special education local plan area in which the district participates. (Education Code 47605.7, 47647)

(cf. 0430 - Comprehensive Local Plan for Special Education)

If the Board denies a petition, the petitioners may choose to submit the petition to the County Board of Education and, if then denied by the County Board, to the SBE. (Education Code 47605)

BOARD MEETING DATE: August 14, 2019

BOARD AGENDA ITEM: BP 0420.41 Charter School Oversight

BACKGROUND: Policy updated to include the California School Dashboard as a means for monitoring charter school performance and identifying the need for technical assistance. Policy also deletes material related to the identification of schools for federal Program Improvement, which is no longer operational.

Policy also reflects NEW LAW (SB 126, 2019) and NEW ATTORNEY GENERAL OPINION which clarify that charter schools are subject to the Brown Act, California Public Records Act, Political Reform Act, and conflict of interest laws, and other new laws requiring Charter Schools to conform to the same requirements as other public schools.

RECOMMENDATION: It is recommended that the Board of Trustees approve the revisions to BP 0420.41.

FUNDING: No funding implications

At the request of a charter school, the Superintendent or designee shall create and submit any reports required by the State Teachers' Retirement System or Public Employees' Retirement System on behalf of the charter school. The ~~charter district school~~ **may be charged for the charter school for the** actual costs of the reporting services, but shall not ~~be required~~ **the charter school** to purchase payroll processing services from the district as a condition for creating and submitting these reports. Material revisions shall be governed by the same standards and criteria that apply to new charter petitions as set forth in Education Code 47605 and shall include, but not be limited to, a reasonably comprehensive description of any new requirement for charter schools enacted into law after the charter was originally granted or last renewed. (Education Code 47607)

If an approved charter school proposes to **establish or move** ~~expand~~ operations to one or more additional sites ~~within the district's boundaries~~, the charter school shall request a material revision to its charter and shall notify the Board of those additional locations. The Board shall consider approval of the additional locations at an open meeting. (Education Code 47605)

The Board shall have the authority to determine whether a proposed change in charter school operations constitutes a material revision **of the approved charter**.

Monitoring Charter School Performance

The Superintendent or designee shall monitor the charter school to determine whether it complies with all legal requirements applicable to charter schools, including making all reports required of charter schools in accordance with Education Code 47604.32. Any violations of law shall be reported to the Board.

The Board shall monitor each charter school to determine whether it is achieving **it's academic goals**, both schoolwide and for **each numerically significant student subgroup** ~~all groups of students~~ served by the school, **as defined in Education Code 52052**. ~~the measurable student outcomes set forth in the charter~~. This determination shall be based on the measures specified in the approved charter **petition and any applicable memorandum of understanding, and on the charter school's annual review and assessment of its progress toward the goals and actions identified in its local control and accountability plan (LCAP), as reported in the California School Dashboard**. ~~and shall include, at a minimum, a consideration of whether the school is meeting its Academic Performance Index growth targets established pursuant to Education Code 52052 and is making "adequate yearly progress" (AYP) pursuant to 20 USC 6311, as applicable.~~

BOARD AGENDA ITEM: BP 1312.1 Complaints Concerning District Employees

BACKGROUND: Policy updated to reflect a court decision which held that a district cannot bar criticism of employees at public board meetings, and to add referral of complainants to the appropriate complaint procedures when concerns are expressed at a board meeting or to an individual board member outside a board meeting. Policy includes material formerly in the corresponding Administrative Regulation (AR) regarding reports against employees for child abuse or neglect, and adds circumstances under which complaints should be addressed in accordance with BP/AR 1312.3 - Uniform Complaint Procedures or AR 4030 - Nondiscrimination in Employment. Policy also adds material related to the investigation of a complaint, including an anonymous complaint, and includes material formerly in the corresponding AR regarding appeals to the board. Regulation reorganized and updated to require that complaints be made in writing and to add steps regarding the investigation of the complaint and the notification of the complainant and employee regarding the final decision.

RECOMMENDATION: It is recommended that the Board of Trustees accept the revisions to BP 1312.1.

FUNDING: No funding implications

BOARD MEETING DATE: August 14, 2019

BOARD AGENDA ITEM: BB 9323 Meeting Conduct

BACKGROUND: Bylaw updated to reflect NEW LAW (AB 1787,2016) which requires the Board to provide a member of the public who uses a translator at least twice the allotted time to address the board during board meetings, unless simultaneous translation equipment is used. Bylaw also clarifies that the board may refer a member of the public to an appropriate complaint procedure, but cannot prohibit criticism of district employees, programs, or policies during a board meeting.

RECOMMENDATION: It is recommended that the Board of Trustees accept the revisions to BB 9323, Meeting Conduct.

FUNDING: No funding implications

Board Bylaws

MEETING CONDUCT

BB 9323 (a)

Meeting Procedures

All **Governing Board** ~~Board of Trustees~~ meetings shall begin on time and shall be guided by an agenda prepared in accordance with Board bylaws and posted and distributed in accordance **with** the Ralph M. Brown Act (open meeting requirements) and other applicable laws.

(cf. 9322 - Agenda/Meeting Materials)

The Board president shall conduct Board meetings in accordance with Board bylaws and procedures that enable the Board to efficiently consider issues and carry out the will of the majority.

(cf. 9121 - President)

The Board believes that late night meetings deter public participation, can affect the Board's decision-making ability, and can be a burden to staff. Regular Board meetings shall be adjourned at 10:30 p.m. unless extended to a specific time determined by a majority of the Board. The meeting shall be extended no more than once and subsequently may be adjourned to a later date.

(cf. 9320 - Meetings and Notices)

Quorum and Abstentions

The Board shall act by majority vote of all of the membership constituting the Board. (Education Code 35164)

(cf. 9323.2 - Actions by the Board)

The Board believes that when no conflict of interest requires abstention, its members have a duty to vote on issues before them. When a member abstains, his/her abstention shall not be counted for purposes of determining whether a majority of the membership of the Board has taken action.

(cf. 9270 - Conflict of Interest)

Provided the Board typically has ~~seven~~ five members and there are no more than two vacancies on the Board, the vacant position(s) shall not be counted for purposes of determining how many members of the Board constitute a majority. In addition, whenever any provisions of the Education Code require unanimous action of all or a specific number of the members, the vacant position(s) shall not be counted for purposes of determining the total membership constituting the Board. (Education Code 35165)

Board Bylaws

MEETING CONDUCT

BB 9323 (b)

Public Participation

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or within the Board's jurisdiction. So as not to inhibit public participation, persons attending Board meetings shall not be requested to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending the meeting.

In order to conduct district business in an orderly and efficient manner, the Board requires that public presentations to the Board comply with the following procedures:

1. The Board shall give members of the public an opportunity to address the Board on any item of interest to the public that is within the subject matter jurisdiction of the Board, either before or during the Board's consideration of the item. (Education Code 35145.5, Government Code 54954.3)
2. At a time so designated on the agenda at a regular meeting, members of the public may bring before the Board matters that are not listed on the agenda. The Board shall take no action or discussion on any item not appearing on the posted agenda, except as authorized by law. (Education Code 35145.5, Government Code 54954.2)
3. Without taking action, Board members or district staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, a Board or staff member may ask a question for clarification, make a brief announcement, or make a brief report on his/her own activities. (Government Code 54954.2)

Furthermore, the Board or a Board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code 54954.2)

4. The Board need not allow the public to speak on any item that has already been considered by a committee composed exclusively of Board members at a public meeting where the public had the opportunity to address the committee on that item. However, if the Board determines that the item has been substantially changed since the committee heard the item, the Board shall provide an opportunity for the public to speak. (Government Code 54954.3)

(cf. 9130 - Board Committees)

Board Bylaws

MEETING CONDUCT

BB 9323 (c)

5. A person wishing to be heard by the Board shall first be recognized by the president and shall then proceed to comment as briefly as the subject permits.

Individual speakers shall be allowed ~~three~~ five minutes to address the Board on each agenda or nonagenda item. The Board shall limit the total time for public input to ~~20~~30 minutes. With Board consent, the president may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The president may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add.

In order to ensure that non-English speakers receive the same opportunity to directly address the Board, any member of the public who utilizes a translator shall be provided at least twice the allotted time to address the Board, unless simultaneous translation equipment is used to allow the Board to hear the translated public testimony simultaneously. (Government Code 54954.3)

6. The Board president may rule on the appropriateness of a topic, **subject to the following conditions:**
 - a. If the topic would be more suitably addressed at a later time, the president may indicate the time and place when it should be presented.
 - b. The Board shall not prohibit public criticism of its policies, procedures, programs, services, acts, or omissions. (Government Code 54954.3)
 - c. In addition, the Board may not prohibit public criticism of district employees. **However, whenever a member of the public initiates specific complaints or charges against an individual employee, the Board president shall inform the complainant of the appropriate complaint procedure.**

(cf. 1312.1 - Complaints Concerning District Employees)

(cf. 9321 - Closed Session Purposes and Agendas)

7. The Board president shall not permit any disturbance or willful interruption of Board meetings. Persistent disruption by an individual or group shall be grounds for the president to terminate the privilege of addressing the Board.

~~Whenever a member of the public initiates specific complaints or charges against an employee, the Board president shall inform the complainant that in order to protect the employee's right to adequate notice before a hearing of such complaints and charges, and also to preserve the ability of the Board to legally consider the complaints or charges in any subsequent evaluation of the employee, it is the policy of the Board to hear such complaints or charges in closed session unless otherwise requested by the employee pursuant to Government Code 54957. The Board president shall also encourage the complainant to file a complaint using the appropriate district complaint procedure.~~

Board Bylaws

MEETING CONDUCT

BB 9323 (d)

The Board may remove disruptive individuals and order the room cleared if necessary. In this case, members of the media not participating in the disturbance shall be allowed to remain, and individuals not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to a disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)

When such disruptive conduct occurs, the Superintendent or designee shall contact local law enforcement **as necessary**.

Recording by the Public

Members of the public may record an open Board meeting using an audio or video recorder, still or motion picture camera, cell phone, or other device, provided that the noise, illumination, or obstruction of view does not persistently disrupt the meeting. The Superintendent or designee shall designate locations from which members of the public may broadcast, photograph, or tape record open meetings without causing a distraction.

(cf. 9324 - Board Minutes and Recordings)

If the Board finds that noise, illumination, or obstruction of view related to these activities would persistently disrupt the proceedings, these activities shall be discontinued or restricted as determined by the Board. (Government Code 54953.5, 54953.6)

BOARD AGENDA ITEM: Board Policy 4030, NONDISCRIMINATION IN EMPLOYMENT

BACKGROUND: Policy reflects NEW STATE REGULATIONS (Register 2018, No. 20) which add a definition of national origin and make it an unlawful employment practice to inquire into or discriminate against an employee on the basis of immigration status. Policy also reflects NEW LAW (SB 1300) which (1) prohibits districts from requiring an employee, in exchange for a raise or bonus or as a condition of employment or continued employment, to sign a nondisparagement agreement or release the right to file a claim against the district for unlawful acts in the workplace, including sexual harassment, and (2) provides that a district may be responsible for any harassment (not just sexual harassment) of employees by nonemployees if the district knows or should have known of the conduct and failed to take action. Regulation revises section on "Measures to Prevent Discrimination" to reflect a requirement, to post the California Department of Fair Employment and Housing (DFEH) poster on workplace discrimination and harassment and to add the requirement to post the DFEH poster on the rights of transgender employees. Regulation also reflects NEW LAW (SB 1300) which authorizes training on bystander.

RECOMMENDATION: It is recommended that the Board of Trustees approve the proposed changes to BP 4030.

FUNDING: No funding implications
