

Compass Learning

Adding a Class

- My Students
- My Classes
- New > Class
 - Name your class and add yourself as the teacher.

Adding Students to a Class

- You can search for an individual student within the left navigation panel.
- My Students (Top) > My School (Left Side) > Students (Left Side)
 - You can add multiple students by clicking on the grade level at the top to sort by grade level
- Click to the left of students you want to add to your class.
- Actions > Add to Class > Click on Your Class
