

# Social and Emotional Well-Being for Students and Educators

We invite you, our community members, to join us by sharing your goods and/or services that will increase the sense of wellness in our educators and help them support our students!

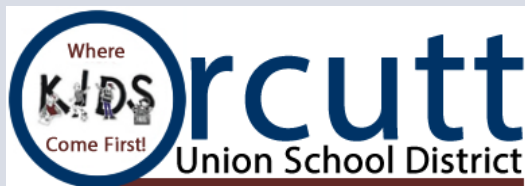

**Donate a raffle prize (valued at \$25+) then choose one of three ways to participate:**

1. Set up a vendor table and interact with participants during a 30 minute break (we provide a 6 foot table and two chairs in the gym)
2. Offer one or two 50-minute sessions to a small group of participants (held in a classroom)
3. If you cannot attend, provide printed information we will make available to attendees during the break

Our educators will start the day with Dr. Doug Fisher discussing his new book, All Learning is Social and Emotional. After lunch, we will transition to Orcutt Junior High School for breakout sessions and vendor visits. Stay for the exciting raffle drawing at 3:30!

**Tuesday, September 3, 2019  
from 1:00 PM to 3:30 PM at
